#### APRIL PUDDLE JUMPING

It is the very first page of the new Spring. The sky has opened to start to fill the ponds and to start the new growth in the yard and the forest. It's the best time to take a walk in the fresh scent of April though it's a good idea to pick your path as you go. This is one of our more scenic walks in Mattapoisett, down the old Railroad embankment, along the inside beach behind the Y camp, over the river via the new footbridge and forward to the Neck or even Fairhaven if you have the ambition.

Ruby? Padparascha? No. It's

## PINK SAPPHIRE

When importers buy Pink Sapphire from Burma tradesmen, they call it Ruby.

No ifs, ands or buts.

When a cutter buys Pink Sapphire from Ceylonese dealers, they call it Padparascha.

Anything but Pink Sapphire.

### What is a Pink Sapphire?

For hundreds of years, this stone has fought an uphill battle to be recognized in its own right. Yet despite Asian dealer prejudices, Pink Sapphire is finally coming into its own as an important and fancy Sapphire.

America is waking up to the fact that there is Sapphire that is not blue. There was a time when jewelers did not know or recognize any other color in Sapphire. Dealers used to try to push them as Ruby. Some deep reddish-pink Burma stones could obviously pass as Ruby although gemologically, it is incorrect to call them Ruby. However, the majority of Pink Sapphires come from Sri Lanka and these are far lighter in color. Calling them Ruby was stretching that word's definition thinner than a pancake.

Ceylonese Pink Sapphires tend to be a light and lively color, usually with highly visible amounts of violet and purple. The more violetish the stone, the lower the price. At the other end of the Pink Sapphire spectrum comes newer and potentially huge production from the Umba Valley region of Eastern Africa, principally Tanzania. Some of these African stones seem too brownish and muted to compete with Ceylonese goods. They also tend to come in smaller size.

### Tips on Buying:

Because most Pink Sapphire is lighter in tone and less saturated in color, it is advised to buy eye-clean stones. Inclusions are much more noticeable in pastel-color stones. Also important is brilliance. Although partly a function of clarity, brilliance is also affected by cutting and polishing. Also, Sri Lanka stones are poorly cut and therefore do not have as much brilliance as they could.

Pink Sapphire is a popular contrast stone and goes very well with Aquamarine, Blue Sapphire, Diamonds and Pearls.

## Personnel Board

### Favors 5% Pay Increase

MATTAPOISETT SELECTMEN'S MEETING  
MARCH 28, 1989-by VIRGINIA MORGAN

Selectmen and members of the Personnel Board agreed last Tuesday to support the 5 percent step increase for employees under the Personnel Board. The boards agreed to hold a joint session with department heads and supervisors to inform them of the recommended Personnel Board changes and the enforcement of the present policies.

As a follow-up to the March 14 meeting with the Personnel Board, that board's chairman, Ridgeway Crouch, outlined proposed changes and present policies that need enforcement. He noted the present language in some policies is not being followed by department heads, for whatever reasons, over the years.

The first proposal concerns vacation schedules. Permanent full-time employees will get five days with pay after completion of one year from the anniversary hiring date (the exact time will be determined by department heads so as not to conflict with a busy time) and after two years from the anniversary date, 10 days with pay; eight years, 15 days with pay; 15 years, 20 days with pay. Town Administrator Lois K. Ennis suggested someone make a list of personnel and their anniversary dates.

Chairman Crouch said there are 77 persons covered by the Personnel Board (this excludes union personnel and contract personnel); of the 77, 14 are full-time, 19 seasonal (Recreation Department and Wharf); 26 call people (EMTs, fire department) and 18 part-time employees. Part-time employees will receive pro-rated vacation time.

evaluation forms to be completed by the department heads and then for them to go to the Personnel Board. This will serve two purposes - it will enable the department head to evaluate an employer, and then it will protect the employee by keeping a record of any problems or favorable comments during the year.

Personnel Board member Stephen J. Lombard brought forms from the town of Norton where he works, as an example for Mattapoissett to follow. These new forms will be discussed at the joint session.

A third proposal is the Merit Increase - this year there are both step and merit increases. Mr. Crouch said "we will require supervisors to give two evaluations this year." Sixty days prior to the employee's anniversary date in that position, the employee will be evaluated for a merit increase. A three to five percent merit

increase will be based on supervisors' recommendation. This will equate pay and performance and is recommended for people who have above satisfactory job performance.

The fourth proposal concerns Time and Position. The Personnel Board has a group of people's names "red circled" who have reached maximum pay in step scale (Step F). The board recommended to create a Step G and Step H, with five percent increases in each step on their anniversary date. This will enable an employee at maximum to be eligible for the same increases as others are eligible.

The Personnel Board Chairman noted this is the final year in the 1986 three-year Personnel Plan accepted from Yarger and Associates, Inc. of Virginia for \$5,000 for the plan. The Chairman said, "We should continue having these people back to work on wage and salary schedules only - not on job descriptions. The wages and salaries are the most controversial issues."

Selectmen noted this request will have to go into the budget for town meeting.

Also discussed was adding a full-time maintenance person. The Personnel Board agreed to recommend the position; the Selectmen have to find the money to pay for it. Also, the position of account clerk for the Highway Department and Fire Department joint use was approved for three hours per day (15 hour week); and a clerk in the Town Clerk's office. Additionally, they approved extended hours from 35 to 40 per week for the Building Inspector.

Selectmen asked the Personnel Board to consider bringing up for review the salary schedule of Karen Long, the town accountant. "She has advanced in the position and has taken extra educational classes for the job, and we don't want to lose her," said Selectmen Chairman William F. Hubbard.

announcement, said the nails are coming out and some ladders are broken - the present condition is hazardous.

Selectmen accepted the offer and will send a letter to express the Board's appreciation for the donation and give Brownell authorization to proceed with the repair.

MET WITH John Shockro, Chairman of the Recreation Committee, to discuss the set-up of the Arts and Crafts summer program held on Center School grounds.

Mr. Shockro said problems developed last summer when the program seemed to be growing into a babysitting service. The number of children attending grew to about 40 per day with younger children attending. "With hours 9 a.m. to 2 p.m. daily and no age limit last year, we overheard a parent saying it made a good place to leave a child for the day with supervision", he said.

The leadership consisted of Pam Hiller and Laurie Nunes, supervising 40 children who often roamed onto the playground. The committee wants to know if they should have age guidelines and have the program for ages seven and over, with those under age seven be accompanied by an adult.

Also, Chairman Shockro asked what is the personal liability for the two leaders? Selectmen felt the same coverage for the beach supervisors would apply.

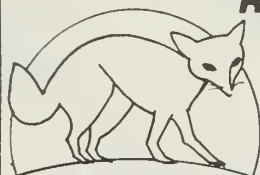

Mr. Hubbard noted there's no doubt there needs to be more control. The Recreation Committee was asked to prepare a program proposal for the board's review.

APPOINTED William Straus to a seat on the Conservation Commission, vacated by Kenneth Dawicki, who resigned. There were six candidates for the seat.

Attorney Straus said one of his top priorities has been environmental issues, and "this will give me an opportunity to serve the town in a positive way".

VOTED TO ALLOW Fire Chief Donald C. Wood to give the 25-year old fire truck to the Highway Department for its use. He noted there would be no trade-in value to the old truck but that the highway department can use the chassis for other purposes.

The Chief said a new fire truck has been delivered but is in the process of having the registration and plates changed and the lettering on the door. Voted at the May 1987 town meeting, the 1250 gallon per minute Pierce fire truck has taken two years to be delivered.

AGREED to retain the fees charged for sailboarding at Veterans' Park, Ned's Point, last summer. Selectmen noted last year's policy and rates worked very positively. The restrooms will be open by May 1st, earlier depending on the weather.

AGREED TO PURCHASE the used 3/4 ton, four-wheel drive truck from William W. Wood for the Shellfish Constable at a cost of \$5,500. This amount will be taken from the Reserve Fund; however, a reimbursement from the state Marine Fisheries Division for other purposes in the amount of \$5,200 will go to General Fund to offset the cost of the truck.

RECEIVED WORD from Harvey Blanchette, Chairman of the Mattapoisett Housing Partnership (HOP) Committee regarding the status of "The Beacon" development application to the Massachusetts Housing Finance Agency.

"The Beacon" was not among the official list of winners in the recent HOP funding competition. The developer, Pleasant Street Development Corporation of New Bedford, has several options to follow.

The developer should amend the application to be more competitive in a future funding round, or, that the application probably will not be competitive, even with changes, and to encourage the developer to look elsewhere for funding. The next round of funding will be September 1989. There is the possibility of discretionary funding before that date for smaller projects. "The Beacon", with only 31 units, may be a candidate for this separate funding.

NOTED the second session of the Board of Appeals public hearing on the application of Pleasant Street Development Corpor-

cover the period 1815 to 1890.

This talk will feature Marion as a whaling port and shipbuilding community; Sippican becoming a new town Marion; coming of the railroad; Civil War; Elizabeth Taber and her family and Academy; the period of President Grover Cleveland in Marion; and the start of its days as a summer colony.

Admission is free and all are welcome to attend.

The third and final lecture in the series will be Friday, May 12th, at the same location and time.

## Preserving Family Heirlooms MATTAPOISETT HISTORICAL SOCIETY

On Sunday, April 23rd, from 2:00 to 4:00 p.m. the Mattapoisett Historical Society will offer a program of helpful methods for preserving your family heirlooms such as paintings, textiles, books and papers, etc. Robert Hauser, Conservator at the Whaling Museum in New Bedford, will conduct this informal program, sharing with us various preservation and conservation methods that can be used in the home. You are invited to bring objects to the program for his evaluation and suggestions.

Please note the change of date from what appeared in the Historical Society News-

### Surplus Food Program

The Mattapoisett Council on Aging is taking new applications for the Surplus Food Program and issuing new cards to recipients. This new in-take has been mandated by the Federal Government, and you will still have to apply even though you have received commodities previously.

This will take place during the week of April 10th through April 14th, at the Council on Aging office in the Town Hall, Room 202, between 9 a.m. and 1:00 p.m. New applications will also be taken on the same dates from 9:30 a.m. to 1:00 p.m. at Village Court for the residents there.

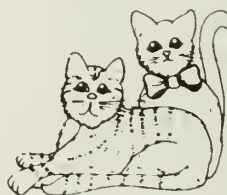

Please bring verification of eligibility so we can determine if you are within the income guidelines to qualify for commodities.

Types of verification are: ADFC, Medicaid, Welfare, Head Start, Veterans' Benefits, unemployment, fuel assistance, subsidized housing, food stamps, SSI, Social Security and WIC.

If you are employed your last week pay stub should be presented.

The commodities are not only for the elderly, but for anyone who can meet the

income guidelines. Commodities will not be issued without a new application and a new card.

The next commodity distribution will be some time in May. The exact date will be published in a later issue of the Presto.

### The Terns of Bird Island

Scott Hecker, Massachusetts Audubon's Tern Management Coordinator, will present a slide show on the endangered Roseate Tern on Tuesday, April 18th, Tabor Academy, Lyndon South Auditorium at 7:00 p.m. The nesting population of the Roseate Tern on Bird Island represents the largest colony in North America. The presentation will illustrate the ways volunteers can be involved in projects to protect these beautiful birds. Admission is free.

### MMR Re-Entry Scholarships

Any resident of Marion, Mattapoisett, or Rochester entering post-secondary education after an absence is eligible to apply for an MMR Tri-Town "Dollars for Scholars" Re-entry Scholarship. Applications are available at the Town Halls and Libraries at all three towns. Applications must be returned to MMR by May 1, 1989.

Since 1983 MMR has awarded scholarships

### Cub Scout Pack 53

Pack 53 held their March Pack meeting  
last Thursday in the Congregational Church  
Hall. Cubmaster Peter Knight announced  
that the scouts made over \$1,000 in profits  
for the troop from the chocolate rabbit  
sales. Thank you to all who supported  
the scouts by purchasing all those delicious  
Easter Rabbits by Nestles-Beich.

This meeting was opened by Den 1, Webelos,  
with a flag ceremony and official uniform  
inspection done by their leader, Peter  
Kortright. Den 2 had been working on  
fingerprints and Greg Hickey and Jimmy  
Reed presented their project to the troop.  
Tying knots is a very important skill for  
scouting. Jamie Oliviera and Trevor Fran-  
cis of Den 3 were able to display the knots  
they have learned by placing them on a  
mounting board. From Den 4 Jordan  
Collyer gave a very informative demonstra-  
tion on the uses of a toggle belt. Then,  
Ben Mahoney, Cory Silva and Scott Dawicki  
joined him in singing a song. Matt Rocha  
and John Linhares are members of Den 5  
and passed around their handmade paddle-

boats. William Maxwell held the birdhouse  
made by all the den members.

AWARDS: Cubmaster Peter Knight praised  
all the scouts for the dedicated work that  
they put into earning the following awards

the Land Trust has expressed a need for the cleanup of the property. Peter Kortright, who sits on the Board of Directors of the Land Trust and is the leader of Den 1, Webelos, has volunteered his den in once-a-month cleanup efforts. This work will help his scouts earn their Outdoorsman Badge and go on to earn the Arrow of Light Award.

**CORRECTION:** In the last report Peter Kortright was inadvertently listed as Cubmaster. Peter Knight has been doing such a wonderful job as Cubmaster, we're sorry for this mistake. Apologies to both Peters for any inconveniences this may have caused.

**UNIFORM EXCHANGE:** Spring is here! While clearing out those closets, if you happen to find any old scouting articles, please contact either Ken Dawicki, 758-6940, or Craig Collyer, 758-3448, to find out where you can drop off any article you may have. This can help defray the cost of outfitting a new cub scout next year.

child residing in Marion, Mattapoisett or Rochester is eligible to be screened. The purpose of the screening is to identify young children with potential learning problems. At the screening, a brief assessment of the child's thinking skills, speech and language development, memory skills, coordination, hearing, and vision is completed. Any parent who suspects their child is having difficulty in any of these areas may call for an appointment (748-0100). Appointments for the April screening should be made no later than Monday, April 24th.

### Spring Concert, Art Show

The third grade students will be presenting their Spring Concert in the auditorium of Center School on Wednesday, April 5th, at 7:00 p.m. All parents, guardians and family members are invited to attend.

The children's art work (grades 1-3), created during their art classes with Diane Perry, art instructor, will be displayed in the cafeteria. At the conclusion of the musical program all those attending are invited to enjoy the display. Refreshments for this occasion are graciously being provided by the Parent Teachers' Club.

Parents and guardians of children in

## Letters to the Editor

I feel that the Mattapoisett Public School System is currently facing a critical loss. The possible "retirement" of Katherine Kozicki as Principal of Center School would create a void essentially impossible to fill.

Mrs. Kozicki demonstrates a vision for education shared by few. Her labor to promote excellence balanced with self-esteem among our children is something we should all be truly grateful for.

As a physician caring for children, I appreciate the need for providing elementary education in a structured and watch-

ful environment. By all accounts Katherine Kozicki has a superior ability to observe and troubleshoot for our children.

This loss would be tremendous for Mattapoisett and greatest for our children.

this letter because I think a part of that  
excellence is in jeopardy.

I sincerely feel that the premature re-  
tirement of Katherine Kozicki, principal  
at Center School, would be a grave loss  
for our children. I have seen first-hand  
the care this outstanding educator has pro-  
vided for the children of Mattapoisett. She  
has repeatedly and without fanfare gone  
above and beyond the duties required by  
her position to provide special help to chil-  
dren in need, and the loving atmosphere  
obvious among the teachers, staff and stu-  
dents at Center School is largely a result  
of her personal caring attitude.

I would ask that all concerned parents  
express their support of Mrs. Kozicki by  
contacting our school committee members,  
members of the school administration and  
Mrs. Kozicki herself to ask her to recon-  
sider, and thereby continue to provide the  
direction in primary education that truly  
makes Mattapoisett a special place. Only  
by doing so can we hope to maintain the  
standards we have come to expect from  
our schools.

Joseph A. Costa, D.O.

#### LETTER TO THE EDITOR

As we get close to the town meetings of the three towns that make up the Old Rochester Regional School District, it is appropriate that an update be given as to the present position of the school committee on the upcoming high school bond issue.

The school committee has voted to go along with the recommendations of the Advisory Committee and to proceed with the plans for the needed renovations and repairs to the senior high school building.

After much discussion and public input, the committee has also decided to present to the voters the suggested additional repairs to the various athletic facilities, so that the public can have a say on what further repairs they want to have done to "their school" at this time.

There has appeared recently some discussion regarding the addition of the athletic facility and storage area to be added on to the back of the building. This addition will provide a modern weight training and conditioning facility accessible to both boys' and girls' locker rooms; these activities reduce the potential threat of athletic injuries in competitive sports and enable our students to compete on an equal basis. The central storage area is needed to replace the many storage areas that have been lost over the years as we used the space for new educational programs. We need space for the storage of general supplies so that we can benefit from the cost reductions in bulk buying and we, as a committee, refuse to purchase new equipment unless it can be housed properly.

The school committee's aim is to continue to work to provide the best possible educational opportunity, both in the classrooms and on the playing fields, for all of our children and grandchildren.

M.C. Rosenfield, Chairman  
O.R.R. District School Committee

## Marion Conservation

A public service of the League of Women Voters, Kay Reis reporting  
**MEETINGS OF MARCH 22 and 29**

Ronald Turowetz, Quail's Crossing - Owner proposes to redraw lot lines and re-locate septic system on middle lot of 3 so that no Board of Health variance will be required. Owner questions whether wild-life regulations apply to site. Possibility of a conservation restriction along Benson's Brook was discussed. Continued to 7:30 p.m. April 12.

Kenneth Gee, Allen's Point Road - Notice of Intent to construct a pier. Applications have been submitted by Army Corps and to Waterways Division. Public present objected to proposed pier as excessively long, not necessary. MCC suggested reducing size of float. Hearing closed.

Ruth Holmberg, East Avenue - Request for a Determination. Plan is to add two bedrooms. Outside of ConComm jurisdiction. Closed.

John Beech, Quelle Lane - Request for a Determination, to add a deck, change roof-pitch on sunporch. Negative finding as project will not alter resource area. Closed.

Burr Bros. Boats, Inc., Front Street -

Notice of Intent for dredging, expansion and repair of boatyard, adding 49 slips and new pump-out facility, relocation of fueling dock, installation of new 6000 gallon underground fuel tanks, etc. ConComm requested delineation and labeling of re-

for this honor sponsored by the Massachusetts Association of Mathematics Leagues and the Raytheon Corporation.

The team will be competing at Penn State University June 1-3 in the American Regional Mathematics League with other state mathematics teams from around the country. The competition is extremely demanding and will include teams from all along the eastern seaboard and from as far west as Texas.

Lauri, a member of the ORR Math Team and Mathematics League All Star for the past three years, is only the second student in the history of Old Rochester to qualify for the team. Erik Morris, also from Rochester and now at Harvard, qualified two years ago.

## Center for Human Services

CLINICAL DIRECTOR APPOINTED  
DR. ARTHUR SKLUT

Nancy Mahoney, Executive Director of the Marion Center for Human Services, is pleased to announce the appointment of Arthur Sklut, Psy.D. as the Center's new Clinical Director. Dr. Sklut has been with the Center since 1986, serving as Principal Psychologist, Director of Substance Abuse Services and Director of Training. "Artie is someone whom I respect a great deal," commented Ms. Mahoney, "both as a clinician and as an administrator. I look forward to working with him in his new position."

As Clinical Director, Dr. Sklut will provide leadership on the development of the Center's clinical services and programs. He will supervise staff, offering clinical direction on the handling of cases. He will also administer contracts, agreements and budgets with local and state agencies. In addition, he will continue to serve a

caseload of clients and groups.

Dr. Sklut has an extensive background in psychotherapy and clinical administration. In his work at the Marion Center, he developed and implemented the Center's comprehensive treatment program for alcoholics, substance abusers and their families. He has also served as Clinical Coordinator of the Self-Help Project at Harvard University's School of Public Health and as Clinical Supervisor at the City of Boston's Drug Treatment Program.

In his direct-service work, Dr. Sklut has specialized in child psychology and in work with chemical dependents and their families. He has served previously as a psychologist at the Gaebler Children's Center Hospital in Waltham and at the Boston Evening Medical Center.

Dr. Sklut received his doctorate in psychology from the Massachusetts School of Professional Psychology and holds a master's degree in psychology from Goddard College.

The Marion Center for Human Services is a community-based multi-service licensed mental health clinic, located at 335 Wareham Road in Marion, serving individuals and families in southeastern Massachusetts. For more information call 748-2850.

exhibition has received the support from the Azorean Departments of Culture and Emigration.

Materials in the exhibition have been gathered from the Museum of the Whalemens of Lajes do Pico, Azores, from descendants of whalemens, both in the United States and in the Azores, and from the Whaling Museum's own collection.

On April 10th a complementary exhibit will also open, consisting of photographs taken during a visit to the Azores, Madeira and mainland Portugal, by Dr. Hugh Tatlock on a recent trip aboard the merchant vessel Pauline Marie.

### Tax Deadline: April 18

For all you procrastinators, you have extra time to file your federal income tax return.

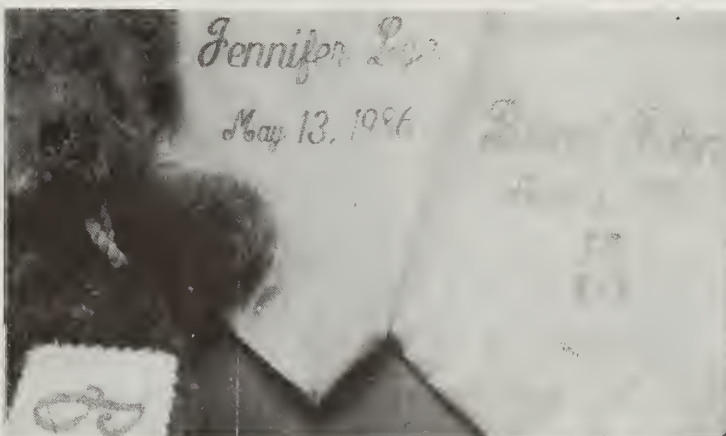

The deadline this year is midnight, April 18, for taxpayers who file at the Andover Service Center in Massachusetts.

Since April 15th, the annual deadline, falls on a Saturday this year, the due date is extended to the following Monday. But this year Monday, April 17th, is Patriot's Day, a legal holiday in Massachusetts, so the deadline is extended to April 18th giving you one extra day to file your return.

Although April 17 is a holiday, Massachusetts IRS offices will be open to assist taxpayers, to distribute forms and accept returns. IRS also has hundreds of volunteer sites throughout the state where taxpayers can obtain assistance. For more information on site locations call 1-800-424-1040.

## Stock Market Primer

Investment broker Judith Leon will speak about the stock market from a social perspective at noon April 19th in Room 397D of the Liberal Arts and Business Building at Southeastern Massachusetts University.

"Stock Market Primer: A Socially Responsible Perspective" is a self-help seminar for women, the first of two "brown bag colloquia" sponsored by the SMU Women's Studies Program. The programs are free and open to the public.

On April 26th from 11 a.m. to 1 p.m. in

Room 397D massage therapist Debra J. Gottfried will lead a hands-on workshop on "Stress Reduction and Massage". Participants are asked to wear comfortable clothes and socks.

# eye talk

**Q. Settle an argument. Is 20/20 perfect vision, or not?**

It's not. 20/20 means only that you have normal vision for seeing sharply and clearly at a certain distance.

This is only one of the vision skills we need to see well. Your optometrist will test those skills during a thorough vision examination. It takes 30 to 60 minutes to examine our eyes thoroughly and prescribe glasses, contacts or vision therapy, if needed.

You can, for example, have 20/20 vision and still not be able to maintain visual awareness to the side while looking straight ahead; see clearly for reading and other close work; use your two eyes together as a team; judge distances; change your eyes' focus from far to near or vice versa without noticeable blurring and use other vision skills.

20/20 also is not a sign that your eyes are free of disease. Eye health is also checked during a thorough optometric examination.

### N.B. Glass Museum

#### SPRING COLLECTORS' COURSE

The New Bedford Glass Museum is sponsoring a spring series of collectors' courses. One-day seminars are scheduled for three Mondays in May.

May 8 will be Paperweights, led by noted collector Murray Rosofsky.

May 15 will be "4,000 Years of Glass", with Janie Chester Young covering the history of glass from ancient to modern times.

May 22 is "Knowing New Bedford Glass", led by Mrs. Young, specializing in the century of glassmaking unique to New Bedford. Topics will include lighting devices, cut glass, art glass, and late Pairpoint glass.

Each seminar will run from 9:30 a.m. to 2:30 p.m., with a lunch break. Participants will be allowed to bring in their own objects for identification and discussion. Cost of the seminars is \$25. each, or \$70. for the series (Museum members, \$20. and \$55), and early registration is advised.

To register, VISA and Master Charge holders may call Mrs. Demers at 994-0115, or send checks to the NBGM, 40 North Second Street, New Bedford, MA.02740.

#### TRIP TO CHESTERWOOD

The New Bedford Glass Museum is leading a springtime trip to the Berkshire Home of America's most famous sculptor, Daniel Chester French, on Saturday, May 13th.

TOWN OF ROCHESTER, MASSACHUSETTS  
PLANNING BOARD  
ROCHESTER RESIDENTS

### NOTICE OF PUBLIC HEARING "PROPOSED REVISIONS AND ADDITIONS TO TOWN OF ROCHESTER PROTECTIVE BY-LAWS"

Notice is hereby given that the Town of Rochester Planning Board will conduct a Public Hearing on Wednesday, April 19, 1989 at 7:30 P.M. in the Conference Room of the Town Hall to discuss proposed By-Law changes and additions which residents will be asked to vote on at an upcoming Town Meeting.

Revisions and Additions:

- 1.) Industrial District - Revision and addition of uses permitted by Special Permit.
- 2.) General Commercial District - Revision and addition of uses permitted by Special Permit.
- 3.) Limited Commercial District - New uses permitted by Special Permit.
- 4.) Agricultural - Residential District - New uses permitted by Special Permit.

A copy of the proposed by-laws, the existing By-Laws and map of affected areas are available for examination, or they can be obtained by the public during regular business hours (8:30 AM to 4:30 PM Monday through Thursday, 8:30 AM to 12:00 Noon on Friday) in the Selectmen's Office commencing April 5, 1989.

### TOWN OF ROCHESTER, MASSACHUSETTS PLANNING BOARD

Notice is hereby given that the Rochester Planning Board will conduct a Public Hearing on April 19, 1989 at 8:30 P.M. at the Town Hall on the re-classification of the following:

To change Lot 31 of Assessors' Plat 17 to all General Commercial. Said parcel is zoned part Industrial and part Agricultural/Residential. Land is owned by Georgia D. Chamberlain, 493 Mary's Pond Road, Rochester, Mass. and is located at approximately 17 Cranberry Highway. Description of the parcel is as follows:

Beginning at the northeasterly corner of Lot A as shown on said plan at a concrete bound in the westerly sideline of the State Highway Route 28;  
thence S 25°03'20" E in the westerly sideline of said State Highway, one hundred ninety-two and 13/100 (192.13) feet to a highway bound opposite station 7+12.34;  
thence S 28°33'26" E again in the westerly sideline of said State Highway, four hundred two and 53/100 (402.53) feet;  
thence S 52°59'00" W in line of land to be conveyed to the County of Plymouth, five hundred five and 77/100 (505.77) feet to a concrete bound;  
thence N 23°07'00" W in line of land of Gustafson, four hundred fifty-five and 26/100 (455.26) feet;  
thence N 57°26'40" E in line of other land to be conveyed to the County of Plymouth, three hundred seventy-nine and 42/100 (379.42) feet;  
thence continuing N 27°54'20" W again in line of other land to be conveyed to the County of Plymouth, one hundred eighty-two and 86/100 (182.86) feet to a point;  
thence continuing N 27°54'20" W in line of land now or formerly of Raymond F. Morse, et als; forty-one and 54/100 (41.54) feet to an old stake and stones;  
thence N 62°41'20" E in line of other land of said Morse eighty-one and 80/100 (81.80) feet to an iron pipe continuing in the same course seven and 89/100 (7.89) feet to the westerly sideline of the State Highway;  
thence S 25°3'20" E in the westerly sideline of said highway thirty-three and 49/100 (33.49) feet to the point of beginning. Containing approximately 4.37 acres.

**ALTERATIONS • SHOE REPAIR**

The 120 acre estate, Chesterwood, is famed for its English style perennial garden, woodland walks, and mountain views, as well as the residence itself. The estate has been fully restored by the National Trust, and the NBGM visit will include guided tours of the residence, French's studio, and grounds. Participants will also be invited to a private tea party.

Daniel Chester French is most famous for his monumental portrait of Abraham Lincoln in the Lincoln Memorial, Washington, D.C. Other works include the Minute Man statue in Lexington, MA.

In addition to the estate tour and tea party, the Glass Museum trip will also include a luncheon/shopping visit to the historic village of Stockbridge.

Cost of the trip is \$42.00 for the general public (\$36.00 for Museum members). The Museum's motorcoach will depart at 8:00 a.m. on the 13th, returning at approximately 6:00 p.m.

Persons interested in registering for the trip should call the Glass Museum at 994-0115.

### YW Fitness Center

On April 8th the YWCA will celebrate the Grand Opening of a new Fitness Center with activities planned throughout the afternoon.

toning tables, offering passive exercise, to the already available weights and equipment, aerobics, ballet, and calisthenics programs. As well, the YW has sauna, whirlpool, and pool facilities, as well as massage for complete fitness facilities.

"I'm truly excited about having this equipment for our members because there are so many people who will be able to benefit from it," commented Fitness Director Jean Souza. "Everyone can benefit because it's a new concept that works the body in a different way."

The Grand Opening will run from 1 to 4 with continuous offerings of fitness-oriented programs including demonstrations of use of the tables and opportunities for complimentary trial sessions on the new equipment.

The guest speaker for the afternoon is Dr. Michael Gottfried, Director of Gottwell Chiropractic in Dartmouth.

A Color Analysis, presented by image consultant Sue Furtado, and demonstrations of both a body wrap and massage will be given.

Two fashion shows, by Elaine's T-Shirts and Enchanted Dancer, will be presented.

Refreshments and door prizes will be provided.

thousands more will have that opportunity.

An auction is being held on Saturday, April 8th, which will benefit the school. We are hopeful that many of you can support us in this endeavor by donating items in the following categories: new merchandise, antiques, gift certificates for services, sports or theater tickets, sports memorabilia. All donations will be greatly appreciated. In order to donate or for any further information contact Nelson Guerra at 999-2064, Delores Borges at 996-6981 or contact the school at 996-1983.

The auction starts at 7:00 p.m. and the doors will open at 6.

## Mothers of Twins

Ramona Archambault, a pediatric nurse practitioner who works with Dr. Larry Dehner at Dartmouth Pediatrics, will be the featured speaker at April's meeting of Mothers of Twins. She will be discussing childhood illnesses. The meeting will be held on Wednesday, April 12th, at 7 p.m. at the home of Michele Crotty, 50 Green Street, Fairhaven. All mothers of twins or expectant moms are welcome. For more information on the upcoming meeting or help at any time please call Carolyn Overmyer at 758-3218.

## D.A.R. Luncheon Meeting

The New Bedford Chapter Daughters of the American Revolution will hold a Luncheon meeting at 12 noon on April 11th at Thad's Steak House in New Bedford. The speaker will be Mr. Thaddeus Irzyk.

## Mattapoisett Board of Appeals

Reported by Virginia Morgan

Two variances and three special permits were granted March 8th by the Mattapoisett Board of Appeals.

A Variance and a Special Permit were granted to Thomas F. Brownell, 25 Water Street, relating to property he owns at 4 Church Street, for alterations to an existing non-conforming structure - a two-family dwelling, on a non-conforming lot, to make a three-family dwelling.

The two-family dwelling and use and lot were in existence at the time of adoption of the 1967 zoning by-law and are lawfully conforming.

The first floor of the structure contains one dwelling unit with four bedrooms, occupying the entire first floor. The second floor contains one dwelling unit with three bedrooms. The proposed alterations are to create an additional dwelling unit with one bedroom on the first floor from the three connecting rooms at the rear of the house. The remaining first floor rooms will constitute a dwelling unit with two bedrooms. The second floor dwelling unit will remain as a dwelling unit with two bedrooms instead of three. The net effect is to increase the dwelling units from two to three and to reduce the number of bedrooms from seven to five. There will be no change in the total existing footprint, the total interior floor area or the height of the structure.

A Special Permit allows for alterations and extended use of the property. No

**997-7906 \* 291-7433**

one appeared at the public hearing in opposition. The alterations will not affect generally the village residence district in which the property is situated. Relief from the square foot open space requirement will not be a detriment to the public good and will not be more detrimental to the neighborhood.

A Variance was also granted to John M. Barrett, 30 Rocky Knook Lane, Marion relating to property he owns at 124-126 Fairhaven Road for construction of a bulkhead for an outside cellar stairwell and an outside chimney.

Previously, the Appeals Board granted two petitions for variances on the property to enable the petitioner to construct a one and one-half story structure 24 feet by 40 feet for a combination of office business use on the first floor and residence use on the upper floor.

Originally, plans called for the bulkhead for the stairwell on the south side. Subsequently, a sewage disposal plan determined that the sewage system would have to be located in the south side and that the bulkhead would have to be moved to the north side. This procedure intrudes into the required 65 foot street setback north of the structure and a further and lesser intrusion of two feet for construction of a chimney on the north side wall.

ANTIQUE REPRODUCTIONS

28 WILLIAM ST., NEW BEDFORD . 997-9194

The Board found that owing to solid conditions and shape of the land but not affecting the General Business District in which the property is located, a literal enforcement of the street setback would involve substantial hardship, financial or otherwise, to the petitioner.

A Special Permit was granted to Clinton L. and Jeanne Schwamb, 4 Dyar Road, relating to property at that address for alterations to an existing nonconforming structure, a single family dwelling in the Shell Beach section in the waterfront district. The lot is a combination of lots from the original 1898 subdivision of Shell Beach then known as "Goofy Island". The lot and house were in existence at the time of the zoning by-law adoption in 1967, and the house is lawfully nonconforming.

The proposed alterations are to raise the roof ten feet, change the existing two bedroom area of the second floor to one larger master bedroom with closets and dressing area, change the existing one bedroom area of the first floor to a bathroom. The height of the structure will be changed but no change in the total footprint. No one appeared in opposition.

A Special Permit was also granted to J. Breckenridge and Jeane W. Eagle, 975 Memorial Drive, Cambridge, relating to property at 12 Atkinson Way for alterations to an existing nonconforming structure,

OFF SHORE HIGH PERFORMANCE CHARTER  
Investigate the advantage of this unique new ownership advantage.  
Off-shore high performance time share charter. H.P. to go.  
100 MPH plus. This is a new concept in high performance char-  
ter. Due to the high cost of owning and financing and main-  
tenance costs this is totally eliminated. Your cost only in-  
volves the use of the vessel for designated time. You pay for  
the gas. All amenities are included in your charter. Rates may  
be seasonal or monthly or split charter packages are also avail-  
able. Transportation of the vessel is arranged to your port of  
destination anywhere on the east coast. State of the art elec-  
tronics are included in your design package. We feature top of  
the line US1-46 Cougar, 415 Stinger by Chris Craft, ARNONOW  
47, Team Warlock Cats, Cigarettes Sonics. Preparation is es-  
sential. Reservations must be made 4 to 6 weeks in advance due  
to heavy demand of summer season. Inquire about our special  
event in cross-country charters. Open 7 days 9 a.m. to 10:30

which is part of a two-family dwelling.

The proposed alterations are to be made to the 33 foot by 25.5 foot structure nearest to Atkinson Way. The two-family dwelling on the lot consists of two separate structures placed next to each other. The lot and structures and two-family residence were in existence at the time of the adoption of the 1967 by-law, and are lawfully nonconforming. The alterations are to replace and add windows and to do interior renovations. There will be no exterior changes. No one appeared at the public hearing in opposition.

career and his personal life. His most important message was "if you feel you are in trouble, go get help". Students were allowed to ask questions after his presentation.

This program was provided by Junior Achievement and was deeply appreciated by Old Colony's staff and students alike.

#### HEAR CLUES FOR MURDER INVESTIGATIONS

Tom Gibney, from the District Attorney's Office, and Kenneth Martin, a state police officer, spoke to Mrs. Jo-Anne Canstra's WHODUNIT Senior English Elective Class recently at Old Colony Regional Vocational Technical High School.

Students were fascinated as they looked at a reconstructed face on an actual skull and listened to Mr. Gibney describe how an expert from Smithsonian Institute in Washington, D.C. was able to reconstruct the face of a man from that skull which was found on Route I-195 in Fairhaven last year.

Mr. Martin explained how state police and detectives search for clues after a murder or crime has been committed. He talked about the scientology of blood splatterings and footprints and fingerprints. He also showed students a video of an actual crime investigation which had students follow the course of the de-

tectives as they found evidence.

Students found the presentation extremely interesting, some commenting on how detective work has computerized since the Lizzie Borden days which was what they were studying.

## DATA PROCESSING FIELD TRIP

Senior and sophomore students from Old Colony Regional Vocational Technical High School visited the IBM district office in Providence, RI. Students attended many lectures by IBM managers and employees alike.

IBM managers and employees stressed possible career opportunities and the education needed to obtain them. Other topics were discussed such as customer relations and computer hardware. Following the presentations students were given a complete tour of the facility.

This field trip was funded by the School Improvement Council.

## ELECTRICAL DEPARTMENT

Seniors from Old Colony Regional Vocational Technical High School's Electrical Department recently visited the Acushnet Company's Rubber Division and were shown electrical machine controls in action. There were controls dating back to the 50s to the most modern electrical controls on the market today. Students participated by

## Crossword Tourney

With a competition scheduled for April 15th, the popular Southeastern New England Crossword Tourney, the second oldest in the nation, will observe the 10th anniversary of the event at the Southworth Library in South Dartmouth, where it originated in 1980 under sponsorship of the Friends of the Dartmouth Libraries.

The date is set to coincide with the anniversary of the birth of Leonardo da Vinci, the Renaissance genius whose broad interests and vast knowledge make him a kind of patron saint for crossword puzzle devotees, according to the veteran chairman of the tourney, Hope Atkinson.

Featured at the luncheon meeting following the morning competition will be a celebrity among puzzle fans, Dr. Eugene T. Maleska, puzzle editor extraordinaire for the N.Y. Times and author of books and articles concerning the widespread pastime. Renowned also for his talent as an entertaining raconteur, Dr. Maleska will be guest speaker at the luncheon.

He will supervise the distribution of up to ten awards (none monetary) to winners of the forenoon's 3-puzzle competition. The top six prizes will be trophies, of which three will be silver Paul Revere bowls. Winners will be determined on the basis

## The Highest Form of Weathergear

989 A D

A thousand years ago, some mariners turned to animal skins (worn over hair shirts) for weather protection. No wonder that the Vikings were regarded as nastier than the weather.

**SUSPENDER**  
Heavy-duty elastized suspenders hold pants in position

**BIB STYLE**  
Chest high full bib design provides maximum coverage

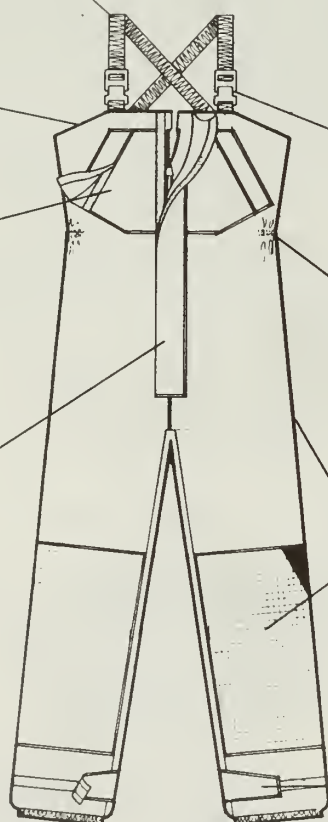

**WEATHERPROOF HAND-WARMER POCKETS**  
Lined with polyester fleece, sealed with a full-length hook-and-loop closure. Drainage port at bottom.

**QUICK-RELEASE CLIPS**  
Rugged acetate resin clips combine complete adjustability with rapid clip-in convenience

**ELASTICIZED BACK**  
Elasticized back keeps the roomy fit under control

**REINFORCED SEAT AND KNEES**  
Where abrasion is concentrated, a second layer of shell fabric takes the punishment first

**GUSSETED FLY**  
Strong, smooth-sliding YKK® acetate zipper is impervious to salt water, will not corrode. Protected outside by double weatherflaps secured by full-length hook-and-loop closure, inside by internal gusset

### WATERPROOF SHELL FABRIC

200-denier nylon oxford HD Cloth is waterproofed with our exclusive Dry-Tech® coating. Dry-Tech is a custom formulated marine-grade urethane that is both tough and durable while remaining light and flexible.

### WATERPROOF TAPED SEAMS

ThermaWeld® taped seams provide total waterproof integrity by activating a specially-developed thermoplastic tape to cover all stitching that penetrates the shell. ThermaWeld taped seams actually strengthen the underlying seams and require no maintenance.

### WATERPROOF LINING

70-denier nylon Parachute Twill is also waterproofed with our Dry-Tech coating creating a double layer waterproof system to provide the highest degree of waterproof protection yet achieved.
